

Decree of the Minister of Agriculture No. 75/1949 Coll., for implementation of the Act on Unified Agricultural Cooperatives

Establishment of a unified cooperative

Section 3 (1) Preparatory work for the establishment of a unified cooperative includes in particular:

- a) recruitment of members; applicants apply to become members in writing, except for persons who become members of a unified cooperative by law (Section 4);
- b) identification of cooperatives that are to be reorganized or merged into a unified cooperative (Section 1 (2)), and of their members.

(3) The competent body of the Central Council of Cooperatives will review whether the existing cooperatives, as listed by the preparatory committee, are governed by provisions of Section 1 (2), and whether the unified cooperative will have sufficient number of members for its activity.

(4) The competent body of the Central Council of Cooperatives shall state in its resolution approving establishment of a unified cooperative, which cooperative shall be reorganized, or, as the case may be, which cooperatives shall merge into a unified cooperative.
